

```
till java 1.4
interface Comparable{
    int compareTo(Object obj)
}
```

```
equals(Object obj)

interface Comparator<T>{
    int compare(T o1, T o2)
}
```

```
from 1.5 onwards
interface Comparable<T>{
    int compareTo(T obj); this..obj
}
```

Collection Framework

Traversal
Iterator, ListIterator
